LINER YANKELEVITZ SUNSHINE & REGENSTREIF LLP ("LYS&R") is one of Los Angeles' largest law firms and features a roster of distinguished and talented trial lawyers and dealmakers. In fact, *Super Lawyers*[®] included 24 of the firm's partners in their annual lists of leading attorneys in Southern and Northern California, and the *Los Angeles Business Journal* recently ranked the firm as one of the "Best Places to Work in Los Angeles."

THE LINER DIFFERENCE LYS&R offers a unique approach to the practice of law, and one that is increasingly difficult for clients to find in these days of the vanishing mid-size firm. The firm delivers high quality work product and has a track record of proven success that clients often associate with large firms, while at the same time offering reasonable rates, efficient staffing, and personalized attention typically associated with small firms and solo practitioners. LYS&R prides itself in offering the "best of both worlds" service, and clients agree.

"I have worked with many law firms over the years. LYS&R attorneys are incredibly responsive and have developed innovative solutions to address my business goals," says Richard M. Brown, General Counsel of the Los Angeles Department of Water & Power.

LYS&R represents clients in a wide range of litigation and corporate transactions. The litigation group accounts for more than half of the firm's practice and represents such leading companies as Hilton Hotels, Gillette, ExxonMobil, CALSTRS, and Honeywell, to name a few.

Among numerous transactions, the firm recently received significant attention with its representation of Summit Entertainment

LLC. LYS&R attorneys led the transaction that included the acquisition of an existing foreign sales company and the structuring of approximately \$1 billion in financing for the newly formed company. "What made this deal unique and complex was that there were two significant deals taking place simultaneously, one to create the company and the other to raise financing for the production of ten to twelve films annually," says Josh Grode, Summit Entertainment's attorney and LYS&R partner.

NO BOUNDARIES LYS&R maintains offices in Los Angeles and San Francisco, and represents Fortune 500 clients throughout the United States and across the globe. "Our attorneys have represented clients everywhere from Michigan to Montana, New York to Nevada, Ohio to Oregon and beyond," Stuart Liner says. "Our attorneys also do a considerable amount of work in the United Kingdom and throughout Asia."

A full-service firm, LYS&R offers broad expertise in intellectual property, entertainment, complex business litigation, bankruptcy, real estate, corporate finance, white collar crime, products liability, environmental law, and tax and estate planning.
